

# Prosirius ClubSite™

Membership and Content Management

## SAVE TIME

Your time is important so don't waste it. Our system is fully integrated and uses a single database. No more multiple logins and each piece of your website looking different. No more checking with five vendors to see who has upgraded and if it will break the other four.

## MAKE MONEY

Making money for your organization couldn't be easier. We include Prosirius AdSpace, our advertising module that makes it simple to show either Google AdSense™ or your own advertising program or both. Think of what you can do with the extra money - reduce or eliminate fees, pay some bills or have that special holiday party.

## SELL ONLINE

The Premium Edition adds an online store, shopping cart, product setup and purchase recording either manually or through PayPal® or Google Checkout™. We've also included inventory so you can track all the items you sell.

## PRICING

What if we told you that you can have this fully functional system including source code for just a bit more than a nice website template?

You'd immediately go to:

9/2009

Are you ready to take your organization to the next level? We're here to help with Prosirius ClubSite, a flexible Membership and Content Management System (CMS) that helps groups build membership, make money and manage their organization online.

From outdoor clubs to sports teams to civic organizations and commercial enterprises, you'll find Prosirius ClubSite a great solution.

Within minutes of finishing installation, your members and website visitors can benefit from a fully automated website with member registration, event calendar, forums, business service directory, photo gallery, online shopping, trip reports and more.

With the Membership module you can track members in detail and even add your own fields for information specific to your organization. We've included a stack of reports, giving you a complete control of your membership online.

- We offer add-on modules for enhanced functionality – membership with reporting, quiz, online polls and even a chatroom.
- Prosirius ClubSite uses stable Internet technology to make sure your website is accessible by virtually everyone; from desktop PCs to Microsoft Windows Smartphones and Palm powered PDAs.
- With Prosirius ClubSite you get regular updates adding exciting new functionality.
- Our customers agree... Prosirius ClubSite is benefit driven, feature rich and a great value for the money. See their testimonials at [www.prosirius.com/clubsite](http://www.prosirius.com/clubsite).

## SYSTEM REQUIREMENTS

You must have access to a Microsoft Internet Information Server (IIS web server) that is connected to the Internet on a 24 hour basis. Please visit [www.prosirius.net](http://www.prosirius.net) for inexpensive shared hosting and domain name registration and get started today!
